

ST. JOSEPH'S

DAY & RESIDENTIAL SCHOOL - CBSE

SRIPERUMBUDUR - 602 105

NEWS LETTER

DECEMBER - 2025

Principal Message

Mr. LOURDU SAMY .M

Dear Students, Parents and Staff,

Greetings from SJRS!

During the month of December, students were well supported in both **academic** and **non-academic** areas. We are happy to note visible improvement in students' **LSRW skills** and overall **communication** abilities.

The **ECA** and **CCA** activities were conducted successfully, and students participated with great enthusiasm. As usual, the Christmas celebration was joyful, with active participation from all students. **Laboratory activities** were carried out effectively and students completed them with keen interest. The Life Skills Lab was also utilized in a meaningful and productive manner.

We sincerely thank our parents for their continued support and cooperation.

We wish all our parents and students a very **Happy New Year**. May the coming year bring peace, good health, and success in all aspects of life.

Regards,

Principal
SJRS

Best Wishes !!!

ACADEMIC INITIATIVES

Regular school assemblies were held on Mondays and Fridays, focusing on motivation, weekly updates, and celebrating student achievements.

PRIMARY

Grade II Christmas activity on 06.12.2025

Little stars shone bright at our Primary Christmas bash! Kids decked the halls with crafts, belted out carols, and danced around the Christmas tree. Santa's surprise visit made it a day to remember.

MIDDLE SCHOOL

Grade 8- Science activity on pressure on 08.12.2025. Students crushed cans with air, made marshmallow 'space food' expand and explored pressure's hidden forces. Hands-on experiments made learning pressure a blast.

Grade 7 - Time period calculation using simple pendulum. "Grade 7 swung into physics! Students crafted pendulums, timed swings, and decoded the secrets of periodic motion. 'Tick-tock' turned into 'Aha!' moments as they mastered time period calculations".

HIGH SCHOOL & HIGHER SECONDARY

CHEMISTRY LAB

"Chem-masters in the making! Higher Secondary students concocted reactions, decoded molecular mysteries and played with pH puzzles. The lab was buzzing with curiosity and bubbling with discoveries".

"Physics wizards unleashed! Higher Secondary students tinkered with circuits, dissected waves, and probed the universe's secrets. The lab was electric with experiments and echoing with 'Eureka!' moments".

PHYSICS LAB

COMPUTER LAB

"Code crunchers in action! Higher Secondary students hacked problems, crafted algorithms, and brought ideas to life. The lab was buzzing with innovation and digital dreams taking shape".

Orientation

On 10th Dec, we had conducted orientation for the 10th and 12th grade students by Dr. Pooja on the "Exam preparation".

KG INITIATIVE

On 18.12.2025 "Tiny hands, big magic! Santa's handprints left footprints of joy, gifts spread smiles and kindergarten wonderland twinkled. Christmas cuteness overload".

On 19.12.2025 "Tiny tots twinkled with joy! KG kids danced with Santa and sang sweet carols . Giggles filled the air as they unwrapped smiles and spread Christmas magic " .

Co- Curricular Activities

MUSIC

"Stars shone bright in ECA galaxy!

Students grooved to classical rhythms, busted moves in western dance, kicked up fun in karate and jammed to music . Creativity, beats and energy collided – pure magic".

DANCE

KARATE

"Ispark ignited digital dreams! Students coded adventures , designed digital masterpieces , and explored tech frontiers . The Ispark lab buzzed with curiosity and innovation ".

Students Development

On 13.12.2025 visited Marco Home at Ottanthangal to celebrate Christmas .

"Spreading smiles, creating bonds! Students brought joy to hearts of young children, shared laughter with the children, and the life of children in home. The orphanage visit turned into a beautiful chain of giving and caring".

Educational School Trip

Educational Tour to Hyderabad from Grade VI to XII on 03.12.2025 – 06.12.2025

An educational tour to Hyderabad featuring Golconda Fort and Wonderla and local sightseeing offers a rich blend of history, architecture, and modern entertainment, with students exploring Qutb Shahi history, engineering marvels at the fort, followed by thrilling rides and games at Wonderla, providing a comprehensive learning experience.

Pollution Awareness Rally

On 17.12.2025 our students participated in Air Pollution rally at Sriperumbudur. "Breathe easy, act now! Students from Class 4-12 marched for cleaner air, Sriperumbudur Sub- Inspector Mr. Tamil Selvan waved the flag and started this program on 'Save Our Environment' banners and voiced eco-pledges and covered 5.5 Km. The rally sparked green awareness in every step".

On 20.12.2025 PA III – PTM from KG to Grade XII. Progress meets pride! Parents & teachers joined hands to celebrate achievements, mapped growth paths and nurtured student dreams. The PA3 PTM was a power-packed partnership for success.

CELEBRATION

PARENT TEACHER MEETING AND CHRISTMAS CELEBRATION:

Double the cheer, double the bond! Parents & teachers synced progress, kids dazzled in Christmas sparkle and smiles lit up the day. A festive PTM where learning met laughter.

CHRISTMAS CELEBRATION 23.12.2025

"Christmas magic descended! Students sparkled in festive vibes, carols echoed joy, and Santa dropped smiles galore. The school turned into a wonderland where love & cheer reigned".

SPECIAL EVENT

Faith filled the halls! Students & staff united in prayer, hearts connected in devotion, and blessings flowed.
